

## QUALITY POLICY

The Quality Policy of HSEPro is:

- To establish and maintain a Quality Management System which satisfies the requirements of ISO 9001:2015, and any other Client specific quality requirements.
- To consistently provide services in a manner which will satisfy Client requirements in all respects.
- To implement appropriate actions to address any risks and opportunities associated with internal / external issues, and to meet the needs and expectations of interested parties.
- To ensure all HSEPro staff are fully competent to carry out their assigned task.
- To strive to continually improve our services provided to Clients, through the use of this Quality Policy, Quality Objectives, Performance Evaluation Including Audit Results, Corrective Actions and at Management Review.
- To establish annual quality objectives at strategic and operational levels within HSEPro, that will be measured and reported upon at the management review meeting.
- To maintain documented information as objective evidence to demonstrate compliance with the Quality Management System.
- To control and continually monitor all services undertaken.
- To comply as a minimum with all applicable statutory and regulatory requirements.
- To review the Quality Management System at planned intervals to ensure it is effective and achieving the stated Quality Policy.

The Executive Director is fully committed to the above and actively encourage a similar commitment by staff at all levels of HSEPro. This Quality Policy is evaluated as part of the overall review of the Quality Management System to ensure its stated objectives are met. By signing this Quality Policy, the Executive Director gives his approval to the Quality Management System described in the Quality Manual and in supporting HSEPro processes.
